guaranteed last year more than
17 million high school students
took the act

Kaplan's exclusive strategies, practice, and review help high school students ace the ACT exam. A record number of students is taking the ACT—nearly 1.5 million 2009 high school graduates took the exam, up from 1.42 million in 2008. As more students take the ACT, the need for a higher score increases as colleges can be more selective. A strong ACT score can help students get crucial financial aid and stand out from the competition. Kaplan ACT 2011: Strategies, Practice, and Review
