Where To Download Lean Production Simplified

"Lean Production Simplified" is essential reading for anyone new to lean. With a wonderfully clear writing style Pascal Dennis gives an overview of the structure and tools of lean including an excellent short history. Dennis clearly explains the concepts and philosophy of lean - though this is not a "how-to" book and does not give detailed methods for the tools. The book is an excellent ...

Lean production simplified : a plain language guide to the ...

Think of Lean production as a house with stability and standardization as its foundation, customer values its roof, and "just-in-time" and quality control its pillars. The heart is the workforce, from the shop floor to the executive suite. Lean is a process for continuous learning, with perfection as the goal.
