Course content includes material from the 2020 3rd edition of Legal Aspects of Public Procurement. The course will address issues such as the Uniform Commercial Code (U.C.C.), the Model Procurement Code, Sale of Goods Act and the legal implications surrounding solicitations, contracting, and post-award issues. The new edition adds legal issues in RFPs and contract administration.

Legal Aspects of Public Procurement - NIGP Course

The ground rules for good ethics in procurement are simple enough. Practice integrity, avoid conflicts of interest and personal enrichment, treat suppliers equally and fairly, and comply with legal and other obligations. Quite simply, the overriding principle is "do the right things." However, simple is not the same as easy.
