During your audition for a musical will you be asked to sing a small sample of a song, about 30 seconds in length.

The next thing we have you do is recite a short monologue (usually this is provided from the script, but on some

occasions we will ask you to prepare your own monologue of a certain length). Remember during this part, we aren't here to see your reading abilities - if you stumble over the words that's no big deal, but make sure you speak distinctly and with expression.
