Amazon.com: Level Up!: Press Start eBook: Archer, Simon ... Level Up tells the story of a young Asian American torn between his passion for video games and his sense of obligation towards his parents, and it touches upon several potentially interesting topics: the meaning of family and community in an increasingly individualized society, the growing pressure to attend higher education, the delayed transition to adulthood, and the role of commercial culture

pictures. How do you think this story would be told differently if it was a novel, with only words? How would it be different if it was a movie, with just pictures? 2. The cover of Level Up very specifically alludes to the look of a Nintendo Gameboy, one of the seminal hand-held video game systems.
