The economy is going down, and so should you: get ready to generate a stimulus package of your own with this raunchy and riotous recession romp-fest. Whether you're up for a little FTSE with your partner, want to double-dip with a stranger, or need some bond tips to reignite your stagflated workplace, this is the book for you. So fight off deflation, trim that unruly hedge fund and pump up your assets - this frisky and frugal piece of capital is a smart investment that's sure to add a few 'oh oh ohs' to your balance sheet.

I have physical scars from past surgeries, however, I have emotional scars as well. They were buried deep inside (hidden). It wasn't until my mother died was I able to "catch my breath" and to make sense of or process the emotional pain I had endured due to her prescription drug addiction, resulting in my own addictions.

In so many families there is a 'yours' and a 'mine' scenario. Your children. My children. And sometimes 'ours'. Dawn and Dutch had both had it rough. Their partners had both moved on. Leaving them both thinking that they were pretty useless. In everything including the bedroom duties. Which really was not the case. It was a Sunday afternoon when Dawn had taken her family out to lunch that she met Dutch. Dutch was with his family doing the karaoke. At a little pub come restaurant. Dawn became the star performer but soon had to run off. Soon enough Dutch and Dawn started dating. They weren't youngsters. But the feelings coursing through their bodies were both new and strange. They hadn't lived their lives when they should have. They had one tiny little tiff which provoked the little jealous monster. But it soon blew over. Dutch' family soon became Dawn's. Dawn's family admired Dutch. It ended up as ours. A chuckle awaits you! Enjoy!
