Diagnostics, or fault finding, is a fundamental part of an automotive technician's work, and as automotive systems become increasingly complex there is a greater need for good diagnostic skills. Advanced Automotive Fault Diagnosis is the only book to treat automotive diagnostics as a science rather than a check-list procedure. Each chapter includes basic principles and examples of a vehicle system followed by the appropriate diagnostic techniques, complete with useful diagrams, flow charts, case studies and self-assessment questions. The book will help new students develop diagnostic skills and help experienced technicians improve even further. This new edition is fully updated to the latest technological developments. Two new chapters have been added – On-board diagnostics and Oscilloscope diagnostics – and the coverage has been matched to the latest curricula of motor vehicle qualifications, including: IMI and C&G Technical Certificates and NVQs; Level 4 diagnostic units; BTEC National and Higher National qualifications from Edexcel; International Motor Vehicle qualifications such as C&G 3905; and ASE certification in the USA.

Rob Bennett is trying to put his life back together again. No longer an agent, he 's the new investigator in a small town sheriff 's department. When the first case he 's on looks like it could end in tragedy for the families involved, Rob has to once again face the personal dragons in order to save the new life he 's building. Agent Amy Bennett doesn 't know what went wrong the first time between her and Rob, but she is sure of one thing—she ' ll always be there to stand by his side. If she can just break down the walls he 's constructed around his heart, they could build a strong future on the foundation of their pasts. Each book in the Hearts of the South series is a standalone story that can be enjoyed in any order. Books in the series: Book #1: Truth and Consequences Book #2: His Ordinary Life Book #3: Hold On to Me Book #4: Anything But Mine Book #5: Memories of Us Book #6: Hearts Awakened Book #7: Fall Into Me Book #8: Facing It Book #9: Uncovered Book #10: Gone From Me Book #11: All I Need
