Marius' Mules I: The Invasion of Gaul by S.J.A. Turney. It is my hope with this novel to help students learn about the Romans. How we believe they lived and acted. This novel follows Julius Caesar's legions during his military campaigns in Gaul. I hope to show students how a novel can help us see two things about history.

Historical Novel Project - Home

It's like Invasion of the Body Snatchers all over again. The nation is being overtaken by an alien threat that invades bodies, alters minds, and transforms freedom-loving people into a mindless, compliant, conforming mob intolerant of anyone who dares to be different, let alone think for themselves.

Marius' Mules I: The Invasion of Gaul Summary. It is 58 BC, and the mighty Tenth Legion, camped in Northern Italy, prepare for the arrival of the most notorious general in Roman history: Julius Caesar. Marcus Falerius Fronto, commander of the Tenth, is a career soldier and longtime companion of Caesar's. Despite his desire for the simplicity of the military life, he cannot help but be drawn into intrigue and politics as Caesar engineers a motive to invade the lands of Gaul.

It is 58 B.C. and the mighty Tenth Legion, camped in Northern Italy, prepares for the arrival of the most notorious general in Roman history: Julius Caesar. Marcus Falerius Fronto, commander of the Tenth is a career soldier and long-time companion of Caesar's. Despite his desire for the simplicity of the military life, he cannot help but be drawn into intrigue and politics as Caesar engineers a motive to invade the lands of Gaul. Fronto is about to discover that politics can be as dangerous as battle, that old enemies can be trusted more than new friends, and that standing close to such a shining figure as Caesar, the

most ethical of men risk being burned.

It is 56BC. As Fronto and his friends winter in Rome and Caesar in Illyricum, trouble is brewing in the north. The tribes of Armorica, driven to desperate action by the harsh rule of Crassus, raise their standards in defiance of the Roman eagle, causing a chain reaction that threatens everything the legions of Caesar have achieved. Can the general's commanders stamp out the fires of rebellion before the whole of Gaul is ablaze? Meanwhile, in Rome, the conspiracies against Caesar take an unexpected turn, plunging Fronto and his friends into a world of crime, violence and intrigue that threaten everything the legate cares about. The city is in turmoil and the republic is teetering on the brink of disaster. In a year that takes the legions and their commanders to the heaving Atlantic Ocean, the treacherous valleys of the Pyrenees, and the seething underbelly of the greatest city in the world, everything is about to change for Marcus Falerius Fronto.

in 55 BC Caesar's army gathers in the north of Gaul, preparing to drive invading Germanic peoples from Gaul and traverse the dangerous northern sea to punish the tribes of Britannia for assisting Gaulish rebels.

Marius' Mules II: The Belgae. 57BC. The fearsome Belgae have gathered a great army to oppose Rome, and Fronto and the legions assemble once more to take Caesar's war against the most dangerous tribes in the northern world. While the legions battle the Celts in the fiercest war of Caesar's career, the plots and conspiracies against him, both at Rome and among his own army, become ever deeper and more dangerous.

It is 58 BC and the mighty Tenth Legion, camped in Northern Italy, prepare for the arrival of the most notorious general in Roman history: Julius Caesar. Marcus Falerius Fronto, commander of the Tenth is a career soldier and long-time companion of Caesar's. Despite his desire for the simplicity of the military life, he cannot help but be drawn into intrigue and politics as Caesar engineers a motive to invade the lands of Gaul. Fronto is about to discover that politics can be as dangerous as battle, that old enemies can be trusted more than new friends, and that standing close to such a shining figure as Caesar, even the most ethical of men risk being burned.

51 BC. In the aftermath of the dreadful siege of Alesia the tribes of Gaul lie broken and sparse, and yet the fires of rebellion still burn in the hearts of a few. As Caesar and his army continue to pacify the land wherever revolt can be found, a new conspiracy is rising. Lucterius of the Cadurci, survivor of Alesia, seeks to raise a new great revolt, building an army in his homeland while a small group of dangerous warriors embark upon a secret and dangerous mission to rebuild all that was lost in that great siege. Meanwhile, Marcus Falerius Fronto tries to adjust to life as a wine merchant in Massilia, little suspecting that old friends and new will soon be fighting alongside him as the last great threat from Gaul is brought right to his door. The final battle for Gaul is about to begin.

The enemy were overpowered and took to flight. The Romans pursued as far as their strength enabled them to run' Between 58 and 50 BC Julius Caesar conquered most of the area now covered by France, Belgium and Switzerland, and invaded Britain twice, and The Conquest of Gaul is his record of these

campaigns. Caesar's narrative offers insights into his military strategy and paints a fascinating picture of his encounters with the inhabitants of Gaul and Britain, as well as lively portraits of the rebel leader Vercingetorix and other Gallic chieftains. The Conquest of Gaul can also be read as a piece of political propaganda, as Caesar sets down his version of events for the Roman public, knowing he faces civil war on his return to Rome. Revised and updated by Jane Gardner, S. A. Handford's translation brings Caesar's lucid and exciting account to life for modern readers. This volume includes a glossary of persons and places, maps, appendices and suggestions for further reading.

A major triumph of historical fiction, *The Druid King*, is a masterly retelling of the life of the legendary general Vercingetorix and his brilliant crusade against the Roman invasion of Gaul. Vercingetorix was both a man of myth and a real historical figure—he managed, where others had failed, to unite the tribes of Gaul and lead them against the might of the entire Roman empire. After watching his father's harrowing death, young Vercingetorix retreats to the forest where he learns the ways of the druids. Soon he must return to civilization to reclaim his birthright and his father's honor, but the city of his birth has changed. Now, he must confront the greatest military power the world has even known—the Roman legions of Julius Ceasar. This is the story of Vercingetorix, *Druid King of Gaul*.

A.D. 255: The Roman Imperium is stretched to the breaking point, its authority and might challenged throughout the territories and along every border. One man is sent to marshal the defenses of a lonely city and to shore up the crumbling walls of a once indomitable symbol of Roman power, a man whose very name means war, a man called Ballista. So unfolds an epic drama—a story of empire, heroes, treachery, courage, and most of all, of brutal, bloody warfare.
