Marketing Management A Strategic Decision

The eighth edition of Marketing Management: A Strategic Decision-Making Approach, concentrates on marketing decision-making, rather than mere description of marketing phenomena. By providing specific tools and decision frameworks, it prepares its readers to hit the ground running and contribute tangibly to the marketing efforts of firms large and small.

Marketing Management: A Strategic Decision-Making Approach ...

Strategic decisions involve a change of major kind since an organization operates in ever-changing environment.

Strategic decisions are complex in nature. Strategic decisions are at the top most level, are uncertain as they deal with the future, and involve a lot of risk. Strategic decisions are different from administrative and operational decisions.

PLACE Place is a strategic decision that can have a significant impact on costs. The best location for your business depends on the nature of the business. Product is properly distributed and available in a best location at the right time. The process of moving products from the producer to the intended user is called place. As well all know, the Management and Science University (MSU) Penang ...
