 George E. Andrews, Evan Pugh Professor of Mathematics at Pennsylvania State University, author of the well-established text Number Theory (first published by Saunders in 1971 and reprinted by Dover in 1994), has led an active career discovering fascinating phenomena in his chosen field — number theory. Perhaps his greatest discovery, however, was not solely one in the intellectual realm but in the physical world as well.

 GRE Math Simplified with Video Solutions captures the lessons veteran GRE tutor Julia Andrews has taught her students of all levels, including the math forgetful and the math phobic. GRE Math Simplified focuses on explaining concepts rather than teaching gimmicks, and addresses the ways in which a single concept can be tested in multiple ways.
