the mid 60's and were a major improvement. "The new MAC-10 Series saws are up to 25% lighter than most so-called lightweights, yet have every feature you could ask for." -- 1966 McCulloch advertisement. Well, maybe not quite every feature. By the mid-70s, the starter had been moved from the right side to the left so a chain brake could be added, and there was a more comfortable rubber-coated handle ...
