brothers. But could a journey destined for disaster help these polar opposites fall in love...all over again?

In *Sacred Groves and Ravaged Gardens*, Louise Westling explores how the complex, difficult roles of women in southern culture shaped the literary worlds of Eudora Welty, Carson McCullers, and Flannery O'Connor. Tracing the cultural heritage of the South, Westling shows how southern women reacted to the violent, false world created by their men--a world in which women came to be shrouded as icons of purity in atonement for the sins of men. Exposing the actual conditions of women's lives, creating assertive protagonists who resist or revise conventional roles, and exploring rich matriarchal traditions and connections to symbolic landscapes Welty, McCullers, and O'Connor created a body of fiction that enriches and complements the patriarchal version of southern life presented in the works of William Faulkner, John Crowe Ransom, Allen Tate, and William Styron.

From the #1 New York Times–bestselling author, “a compelling domestic horror story” of a new bride haunted by childhood nightmares (Kirkus Reviews). Less than twenty-four hours after exchanging vows with her new husband, Willem, Abby steps out into traffic. As his wife lies in her hospital bed, sleeping in fits and starts, Willem tries to

determine whether this was an absentminded accident or a premeditated plunge, and he quickly discovers a mysterious set of clues about what his wife might be hiding. Why, for example is there a rash-like red mark circling her wrist? What does she dream about that causes her to wake from the sound of her own screams? Slowly, Abby begins to open up to her husband, revealing to him what she has never shared with anyone before—a story of a terrified mother; a jealous, drug-addled father; a daughter's terrifying captivity; and the demons behind her terrible recurring dreams of wandering through a field ridden with human skulls and bones... From a recipient of a National Book Award and three Bram Stoker Awards, this suspenseful, twisting tale, named one of the scariest books of the year by Kirkus Reviews, is a "fast-paced examination of the destructive and restorative nature of obsessive love" (Booklist).

Filled with dramatic, ironic, and sometimes tragic turns, this superb biography captures the story of one of America's most extraordinary figures, producing at once the best life of Fuller ever written, and one of the great biographies in American history. In Volume II, Charles Capper illuminates Fuller's "public years," focusing on her struggles to establish her identity as an influential intellectual woman in the Romantic Age. He brings to life Fuller's dramatic mixture

of inward struggles, intimate social life, and deep engagements with the movements of her time. He describes how Fuller struggled to reconcile high avant-garde cultural ideals and Romantic critical methods with democratic social and political commitments, and how she strove to articulate a cosmopolitan vision for her nation's culture and politics. Capper also offers fresh and often startlingly new treatments of Fuller's friendships with Ralph Waldo Emerson, Thomas Carlyle, and Giuseppe Mazzini, in addition to many others.

Meg Cabot expands her huge fan base with this slightly darker, more mysterious novel - without losing any of her signature heart and humor. EM WATTS IS GONE. Emerson Watts didn't even want to go to the new SoHo Stark Megastore grand opening. But someone needed to look out for her sister, Frida, whose crush, British heartthrob Gabriel Luna, would be singing and signing autographs there—along with the newly appointed Face of Stark, teen supermodel sensation Nikki Howard. How was Em to know that disaster would strike, changing her, and life as she'd known it, forever?
