Ever since their introduction in 1972, the S-Class saloons from Mercedes-Benz have been considered the pinnacle of automotive excellence. For most of that time, ownership of an S-Class - at least, of a reasonably recent one - has been symbolic of material success and of restrained yet impeccable good taste. Several other car makers have nibbled at the edges of the S-Class market, but none has produced a viable and lasting alternative to the big Benz. Mercedes-Benz S-Class 1972-2013 charts the evolution and success of the series, from the W116 model, the first to be designed from the ground up as a large luxury saloon, through to the C126 coupe, one of the all-time Mercedes-Benz classic designs.Topics covered include: development and production of the W126 saloons and classic W126 coupes; the W140 saloons in the 1990s; the 140 coupes, the W220 models and the elegant 215 coupes; the W221 models, introduced at the Frankfurt International Motor Show in 2005; the C216 coupes and the future of Mercedes-Benz S-Class. Superbly illustrated with 288 colour photographs.

Straight from the auction block! Old Car Weekly's Old Car Auction Bible is your handy resource for collector vehicle auctions from all corners of the U.S. In it, the publishers of Old Cars Weekly and Old Cars Report Price Guide have compiled more than 40 important sales from around the country that can give hobbyists a true picture of what cars are selling for and where the collector car market is headed. All the big auction houses are represented: Mecum, Russo and Steele, Barrett-Jackson, RM Auctions, Auctions America, Worldwide, Bonham's, Gooding and many more.
