Lathe Operator Resume Examples | JobHero
Need some help I have a older Miyano LE22 lathe with a funuc OT control and am having trouble getting the tailstock to work . It will move foward and back but I can't find anything about programing or setting in the manuals other than M26 is foward and M27 is back to home . It will go back in MDI but when I command M27 the machine alarms out . Diagnostic 306.4 says its the foward switch .I can ...
