What do you do when you realise you have everything you think you've ever wanted but still feel completely empty? What do you do when it all starts to fall apart? The second volume of Moby's extraordinary life story is a journey into the dark heart of fame and the demons that lurk just beneath the bling and bluster of the celebrity lifestyle. In summer 1999, Moby released the album that defined the millennium, PLAY. Like generation-defining albums before it, PLAY was ubiquitous, and catapulted Moby to superstardom. Suddenly he was hanging out

with David Bowie and Lou Reed, Christina Ricci and Madonna, taking ecstasy for breakfast (most days), drinking litres of vodka (every day), and sleeping with super models (infrequently). It was a diet that couldn't last. And then it fell apart. The second volume of Moby's memoir is a classic about the banality of fame. It is shocking, riotously entertaining, extreme, and unforgiving. It is unedifying, but you can never tear your eyes away from the page.

Despite strange warnings, Ishmael, a young schoolteacher from Manhattan, signs up for a voyage aboard the Pequod, a whaling ship departing from New Bedford, Massachusetts. While on shore, he strikes up a friendship with Queequeg, a tattooed South Seas cannibal. The unlikely friends are hired for the journey-only to discover their commander will be Captain Ahab, a brooding, one-legged, tyrannical old man fixated on avenging Moby Dick, the great white whale who crippled him.

The rock musician Moby explores his "path from suburban poverty and alienation to a life of beauty, squalor, and unlikely success out of the NYC club scene of the late '80s and '90s"--Dust jacket flap.

Featured title in the 2018 PBS Great American Reads Ignoring prophecies of doom, the seafarer Ishmael joins the crew of a whaling expedition that is an obsession for the ship's captain, Ahab. Once maimed by the White Whale, Moby Dick, Ahab has set out on a voyage of revenge. With godlike ferocity, he surges into dangerous waters--immune to the madness of his vision, refusing to be bested by the forces of nature. An exhilarating whaling yarn, an apocalyptic theodicy, a tragic confessional, and a profound allegory, Moby Dick encompasses all that it means to be human--from the physical and metaphysical to the spiritual and emotional. Full of strange wisdom and wild digressive energy, it's a singular literary performance universally regarded as one of the great American novels. Revised edition: Previously published as Moby Dick, this edition of Moby Dick (AmazonClassics Edition) includes editorial revisions.

A Moby Dick-inspired picture book adventure unlike any you've ever seen--with a surprise ending--from Caldecott Medal-winning artist Ed Young. Deep in the dark ocean, Mighty Moby lurks. Up above the ocean waves, a one-legged captain pursues the whale he clashed with long ago. Mighty Moby and the captain are soon locked in another battle...but things aren't always what they seem. Caldecott Medalist Ed Young brings us a dynamically interactive story with a surprise twist that will have you rocking along to the waves of the ocean.

Selected by The New York Times Book Review as a Notable Book of the Year A revelatory tale of science, adventure, and modern myth. When the writer Donovan Hohn heard of the mysterious loss of thousands of bath toys at sea, he figured he would interview a few oceanographers, talk to a few beachcombers, and read up on Arctic science and geography. But questions can be like ocean currents: wade in too far, and they carry you away. Hohn's accidental odyssey pulls him into the secretive world of shipping conglomerates, the daring work of Arctic researchers, the lunatic risks of maverick sailors, and the shadowy world of Chinese toy factories. Moby-Duck is a journey into the heart of the sea and an adventure through science, myth, the global economy, and some of the worst weather imaginable. With each new discovery, Hohn learns of another loose thread, and with each successive chase, he comes closer to understanding where his castaway quarry comes from and where it goes. In the grand tradition of Tony Horwitz and David Quammen, Moby-Duck is a compulsively

readable narrative of whimsy and curiosity.

Musician and plant-based ambassador Moby shares his favorite creative and delicious vegan dishes Moby became vegan more than thirty years ago, when few people knew how to pronounce the word. Since then, vegan cuisine has flourished as the fastest-growing and most innovative cuisine on the planet. As a passionate animal rights advocate and also a food lover, Moby has helped fuel this evolution at his wildly popular restaurants. He is the original owner of the L.A. celebrity hotspot Little Pine, which showcases an elevated menu proving once and for all that vegan food is “ all grown up ” and the most delicious way to be eating today. Now Moby takes readers inside this special corner of Southern California with *The Little Pine Cookbook*, a collection of 125 recipes inspired by the restaurant's beloved dishes. Gateway recipes like Panko-Crusted Piccata will wow even the hardest-to-please meat lovers. And veg-forward small plates like Fried Cauliflower with Kimchi Aioli and go-to pastas like Orecchiette with Braised Leeks, Asparagus & English Peas will become back-pocket staples, no matter your diet. And didn ' t you know that desserts are healthier when they are vegan? Indulge in the simple pleasure of Butterscotch Pudding or the rich decadence of Chocolate Bread Pudding while feeling good about yourself and your contribution to a better planet. Whatever you ' re making, the spirit of Little Pine—of community, of sharing, and of giving—is in all these recipes, and they are here for you to savor every day.

Moby Shinobi and his sidekick Toby are heading to the beach in this action-packed, rhyming early reader!

"Moby-Dick" is considered to be one of the Great American Novels and a treasure of world literature, one of the great epics in all of literature. The story tells the adventures of wandering sailor Ishmael, and his voyage on the whaleship Pequod, commanded by Captain Ahab. Ishmael soon learns that Ahab has one purpose on this voyage: to seek out Moby Dick, a ferocious, enigmatic white sperm whale. In a previous encounter, the whale destroyed Ahab's boat and bit off his leg, which now drives Ahab to take revenge... Herman Melville (1819–1891) was an American novelist, short story writer, and poet of the American Renaissance period. His best known works include *Typee* (1846), a romantic account of his experiences in Polynesian life, and his whaling novel *Moby-Dick* (1851).

A “ brilliant and provocative ” (The New Yorker) celebration of Melville ' s masterpiece—from the bestselling author of *In the Heart of the Sea*, *Valiant Ambition*, and *In the Hurricane's Eye* One of the greatest American novels finds its perfect contemporary champion in *Why Read Moby-Dick?*, Nathaniel Philbrick ' s enlightening and entertaining tour through Melville ' s classic. As he did in his National Book Award-winning bestseller *In the Heart of the Sea*, Philbrick brings a sailor ' s eye and an adventurer ' s passion to unfolding the story behind an epic American journey. He skillfully navigates Melville ' s world and illuminates the book ' s humor and unforgettable characters—finding the thread that binds Ishmael and Ahab to our own time and, indeed, to all times. An ideal match between author and subject, *Why Read Moby-Dick?* will start conversations, inspire arguments, and make a powerful case that this classic tale waits to be discovered anew. “ Gracefully written [with an] infectious enthusiasm... ” —New York Times Book Review
