Researchers in dyslexia and in multilingualism have, until recently, operated independently. However, as this book shows, there is much to be gained by sharing research knowledge and experience in these two areas. This book grew from a 1999 conference on “multilingualism and dyslexia”, organised by the British Dyslexia Association.

2000-10-20 Bilingual children with dyslexia can and eventually do form language-specific literacy skills in both of their languages (Klein & Doctor, 2003). If my child is monolingual and has dyslexia, is it OK to learn a second language? In many parts of the world, whether one has dyslexia or not, children must learn to read in more than one language.
