The earliest synagogal music was based on the same system as that used in the Temple in Jerusalem. According to the Talmud, Joshua ben Hananiah, who had served in the sanctuary Levitical choir, told how the choristers went to the synagogue from the orchestra by the altar, and so participated in both services.

History of religious Jewish music - Wikipedia

One of the main contentions in Music in Ancient Judaism and Early Christianity is that there are clear distinguishing markers between cultic music, that is music performed in direct connection with the Jewish sacrificial cult, and non-cultic music. This is not a secular/sacred distinction, at least in the modern sense of those words, because non-cultic music was often religious.

The music of Eastern Jews, from the Eastern Mediterranean and eastward into Asia can be designated as the Mizrahi stream of Jewish Music. 'Mizrahi' literally means 'Eastern'; this music is the child of the interaction between Jewish people and the cultures of Arabia, Turkey, and Persia.

An Overview of Jewish Music

Jewish music is the music and melodies of the Jewish people. There exist both traditions of religious music, as sung at the synagogue and domestic prayers, and of secular music, such as klezmer. While some elements of Jewish music may originate in biblical times, differences of rhythm and sound can be found among later Jewish communities that have been musically influenced by location. In the nineteenth century, religious reform led to composition of ecclesiastic music in the styles of classical
