In 1972, when rock & roll was all but dead in Manhattan, five cross-dressing glam punks from the boroughs convened and began hammering out crude, sub-Chuck Berry rock for the downtown in-crowd. It took another year before a record company dared to sign them, thus foisting The New York Dolls on an essentially uninterested world. Taking their cue from the band's guitarist/Keef-alike Johnny Thunders, hardcore Dolls fans pooh-poohed Todd Rundgren's production as wimpy: twenty-five years after ...
