In the shadow of Mount Kenya, surrounded by the forests and creatures of the savannah, life drags interminably for the inmates of POW Camp 354, captured in Africa during World War II. Confined to an endless cycle of boredom and frustration, one prisoner realizes he can bear it no longer. When the clouds covering Mount Kenya part one morning to reveal its towering peaks for the first time, Felice Benuzzi is transfixed. The tedium of camp life is broken by the beginnings of a sudden idea--an outrageous, dangerous, brilliant idea. Not many people would break out of a POW camp and trek for days across perilous terrain before climbing the north face of Mount Kenya with improvised equipment, meager rations, and a picture of the mountain on a tin of beef as their most accurate guide. Fewer still would break back into the camp on their return. This is the remarkable story of three such men--a powerful testament to the human spirit of rebellion and adventure--reissued in a deluxe edition featuring Benuzzi's own watercolor paintings of the expedition and a final chapter that has never before appeared in English.

A rediscovered mountaineering classic and the extraordinary true story of a daring escape up Mount Kenya by three prisoners of war. When the clouds covering Mount Kenya part one morning to reveal its towering peaks for the first time, prisoner of war Felice Benuzzi is transfixed. The tedium of camp life is broken by the beginnings of a sudden idea - an outrageous, dangerous, brilliant idea. There are not many people who would break out of a P.O.W. camp, trek for days across perilous terrain before climbing the north face of Mount Kenya with improvised equipment, meagre rations, and with a picture of the mountain on a tin of beef among their more accurate guides. There are probably fewer still who would break back in to the camp on their return. But this is the remarkable story of three such men. No Picnic on Mount Kenya is a powerful testament to the human spirit of revolt and adventure in even the darkest of places. "The history of mountaineering can hardly present a parallel to this mad but thrilling escapade" - Saturday Review "A most extraordinary prisoner-of-war and escape story" - New Yorker "A mad venture and a gallant tribute to man's deep yearning for freedom" - Kirkus Reviews "The book crackles with the same dry humour as its title. It contains the prison-yard bartering and candlelight stitching that mark a classic jailbreak yarn; the encounters with wild beasts in Mount Kenya's forest belt are as gripping, and the descriptions of sparkling glaciers as awe-inspiring, as any passage in the great exploration diaries of the early 20th century" - The Economist

On Valentine's Day 1900, three schoolgirls and a teacher disappear while on a school outing in Victoria. Joan Lindsay captured this story in her 1967 novel, "Picnic at Hanging Rock". Now, on the 50th anniversary, "No Picnic at Hanging Rock" revisits the mystery with Joan's original editor and contributors who share their theories.

"I talked with an older woman who has been married almost fifty years and asked her secret. 'Choose your battles, ' she said, 'and know when to keep your mouth shut.' Good advice I thought, but that is only one answer. The trick is to work at it always. You can never rest from working at your marriage. Just as you accept the fact that you are a parent forever, you must believe this marriage is also forever . . . So I offer this book, no, I dedicate this book to anyone who has the curiosity, the courage, and the desire to stay married. Read it for yourself, not because I am rich or famous or remarkable in any way. Read it because I am just like you; doing the best I can, wanting to do it all better and believe that after all Love really is the answer. In the end I hope you'll say to yourself: 'If she can do it, so can I.' And you know what? You can." - Carol Hrehovcik
