I've got a Panasonic SC-BT230 blu-ray player and it appears to be stuck with 'PLEASE WAIT' flashing. I've tried unplugging it from the mains and re-plugging it but that then still shows the same message. I don't want to play any blu-rays, I just want my surround sound to work so that I can play the audio from my television through it.

Solutions to fix 'PLEASE WAIT' on Panasonic SC-BT230 - - -
