Paul's letter to the Romans has been at the center of controversy, conversion, and reflection since the days it was written. The accolade of greatest theologian of the early Church is usually a toss-up between St. John the Evangelist and St. Paul. His letter to the Romans is no doubt St. Paul's crown jewel.

~~Historical Context and Overview of St. Paul's Letter to Romans~~

At the time when he wrote Romans, Paul had never visited Rome, although Chapter 16 of Romans does indicate that he had acquaintances there. Writing to a community largely composed of strangers, then, Paul may have felt compelled to use the restrained and magisterial declarations of Roman style, rather than the impassioned pleas and parental sternness that permeate his letters to the churches at Corinth.

Paul's letter to the Romans has been well-served by Reformed and evangelical commentaries. I asked five of my favorite commentators on the book if they would tackle five questions: from Paul's purpose in writing the letter to why they love it (including questions about the hardest verse for them to exegete and whether they have changed their mind over the years on Romans 7).

~~5 Questions|5 Scholars: Paul's Letter to the Romans~~

It is important to understand that the letter of Romans written by Paul is just that: a letter (a long one). Originally, it had no chapter numbers or verse numbers; it was just one long letter. Just like a letter or email we might write, we intend for it to be read all at once (no matter how long), rather than in pieces.

~~Summary of Romans - The Letter of Paul to the Roman Christians~~

Paul's Letter to the Romans is a powerful exposition of the doctrine of the supremacy of Christ and of faith in Christ as the source of salvation. It is an implicit plea to the Christians at Rome, and to all Christians, to hold fast to that faith.
