Personal Roots of Representation: Amazon.co.uk: Burden ...

Barry C. Burden's Personal Roots of Representation provides a theoretical framework for understanding why white and minority members behave differently in their jobs as representatives. Burden argues that the personal experiences and histories of representatives influence the way they perform their congressional duties.

African American and Hispanic Representation: Theory and ...

He is the author of Personal Roots of Representation, co-editor with Charles Stewart of The Measure of American Elections, co-author with David Kimball of Why Americans Split Their Tickets, and editor of Uncertainty in American Politics.

Access to Voting: What Does Research Tell Us?

This response to Andrew Rehfeld's "Representation Rethought" (American Political Science Review 2009) takes up his criticisms of my "Rethinking Representation" (American Political Science Review 2003) to advance a more relational and systematic approach to representation. To this end, it suggests replacing the "trustee" concept of representation with a "selection model" based on ...
