Drugs.com began licensing and displayed Physician's Desk Reference (PDR) drug information in 2003 and continued to publish PDR content until 2010. In mid-2010 a change in policy by the distributors of PDR resulted in the non-renewal of the licence and the removal of Physician's Desk Reference Consumer Drug Information from the Drugs.com website.

Physician's Desk Reference for Consumers

Application to radiology training in the UK is through a centralised process for England, Scotland and Wales. Northern Ireland's radiology training recruitment remains as a separate process. Applications are open to those who are completing or who have completed their Foundation Training or equivalent competencies by commencement of the radiology training programme in August that year.
