*Pmi Practice Standard For Scheduling - 10/2020*

The Practice Standard for Scheduling has laid the foundation for the community of project management to identify schedules that best communicate the intent of the project team. With less emphasis on the concept of the schedule as a plan and more emphasis on the schedule as a model, project teams are more likely to identify the ground truth of the project, enhancing their view of the path ahead.

*The new PMI practice standard for scheduling*

The Practice Standard for Scheduling will be one of PMI's most important new publications. It was developed to reflect the latest in current practice and to align with A Guide to the Project Management Body of Knowledge (PMBOK® Guide)—Third Edition and other updated and new publications.
