Nancy Caroline's Emergency Care in the Streets, Seventh Edition is the next step in the evolution of the premier paramedic education program. This legendary paramedic textbook was first developed by Dr. Nancy Caroline in the early 1970s and transformed paramedic education. Today, the American Academy of Orthopaedic Surgeons is proud to continue this legacy and set the new gold standard for the paramedics of tomorrow. The Seventh Edition reflects the collective experience of its top-flight author team and decades of street wisdom. This fully updated edition covers every competency statement of the National EMS Education Standards for paramedics with clarity and precision in a concise format that ensures student comprehension and encourages critical thinking. This edition emphasizes the ideal that becoming a paramedic is a continual pursuit of growth and excellence throughout an entire career. Concepts of team leadership and professionalism are woven throughout the chapters, challenging students to become more compassionate, conscientious health care professionals as well as superior clinicians.

"Red World of Polaris" is one of the lost stories of Clark Ashton Smith... Known to have been written, often discussed, but never seen. Until now. Night Shade Books is proud to present Red World of Polaris, a Clark Ashton Smith mini-collection. Along with the title novella, this collection includes the other Captain Volmar stories; "The Amazing Planet" and "Marooned in Andromeda." Book jacket.

"Memoir of surveying for the BLM in the Utah Desert. Reflects on man's relationship to nature and work, the Mormon Church and the settling of the West, the idealistic legacy of the sixties, the controversy over Glen Canyon Dam, and the often antagonistic relationship of American capitalism to ecological management"--Provided by publisher.

Pamphlet is a succinct statement of the ethical obligations and duties of individuals who enter the nursing profession, the profession's nonnegotiable ethical standard, and an expression of nursing's own understanding of its commitment to society. Provides a framework for nurses to use in ethical analysis and decision-making.
