~~Principals in succession : transfer and rotation in ...~~

Succession planning is defined as a strategy that identifies, develops and retains future leaders in an organization. It is actually a systematic process that creates potential leaders so that they can take up the mantle of the previous ones in case of their promotion, transfer, termination, resignation, death or retirement.

~~Principals in Succession : Transfer and Rotatio, White, E...~~

Succession refers to the transfer of property from one person to another after that particular person dies. The law of succession regulates the inheritance of a property. Here Succession laws are explained through two terms: Testamentary or Testate Inheritance, in which inheritance is as per the will of the deceased.
