Psychosocial Skills and School Systems in the 21st Century ...  
We further divide the Big Five into the three categories of skills we feel are important for students in K-12: performance skills ( “ getting along with school ” ), interpersonal skills ( “ getting along with others ” ), and self-management skills ( “ getting along with yourself ” ). In addition to the Big Five, we conclude with a brief discussion of cross-cultural competence and its possible place within the psychosocial skills framework.
