Your Space is a three-level course designed to motivate students as they change and grow. The Level 3 Teacher's Book is designed to give teachers full support with lesson preparation to enable an enjoyable classroom experience. It provides extra activities linked to the project work for each unit. With comprehensive explanations and plenty of ideas for how to exploit the Student's Book material to maximum benefit, it also contains all the transcripts and answer keys for the activities from both the Student's Book and Workbook. The Tests CD contains an Entry and Exit Test, and Skills Tests and Unit Tests for each unit.

It is well known that British and American English differ substantially in their pronunciation and vocabulary - but differences in their grammar have largely been underestimated. This volume focuses on British-American differences in the structure of words and sentences and supports them with computer-aided studies of large text collections. Present-day as well as earlier forms of the two varieties are included in the analyses. This makes it the first book-length treatment of British and American English grammar in contrast, with topics ranging from compound verbs to word order differences and tag questions. The authors explore some of the better-known contrasts, as well as a great variety of innovative themes that have so far received little or no consideration. Bringing together the work of a team of leading scholars in the field, this book will be of interest to those working within the fields of English historical linguistics,
