Quilt art, sometimes known as art quilting, mixed media art quilts or fiber art quilts, is an art form that uses both modern and traditional quilting techniques to create art objects. Practitioners of quilt art create it based on their experiences, imagery, and ideas rather than traditional patterns. Quilt art generally has more in common with the fine arts than it does with traditional quilting. This art is generally either wall hung or mounted as sculpture, though exceptions exist.

Textile art—which encompasses weavings, embroideries, tapestries, fiber arts, carpet design, and more—has undergone a renaissance over the past century, as artists have pushed the boundaries of what can be considered a textile, as well as how a textile can be considered art. The 1970s, in particular, marked a turning point in this history.
