[Reading Response Activities - Simply Creative Teaching](#)

Response Journals record student feelings, responses, and reactions to reading texts. This active learning strategy encourages students to think deeply about the materials they read and to relate this information to their prior knowledge and experiences. This interaction between reader and text extends the reading experience into the "real life" application of information.

[Response Journal - Reading Educator](#)

The goal of a reading response journal is to give yourself a semi-private space to reflect on the text and develop your thoughts and opinions. You don't need to have it all figured out right from the start, but your journal should help you figure it out along the way. Allow yourself to explore a topic covered in the summary.
