Readings in Some Basic Problems . . .

The text's long-heralded selection of readings covers topics such as reason and religious belief, human knowledge, mind and its place in nature, determinism, free will and responsibility, and morality and its critics in five parts with careful attention to opposing points of view.

Reason and Responsibility : Readings in Some Basic . . .

A second notable strength of Reason and Responsibility is the introductory essays that appear at the start of each section. These are clear and especially helpful to those
