R.K. Lilley has been a writer since she can remember, but has held down some interesting jobs to pay the bills. For several years she was a first class flight attendant, and she always swore that she just had to write a book about it. Mixing her love of romance and all things BDSM, the Up In the Air Trilogy is her debut into the world of contemporary romance and erotica. She is currently working ...

BOOKS — R.K. LILLEY

"Rock Bottom" by R.K. Lilley is the 2nd book in the Tristan and Danika series. Stop now if you have not read, "Bad Things", which is book one. This review may get a bit spoilerish and I dont want to ruin the experience that is Tristan and Danika.

ROCK BOTTOM BOOK TWO: TRISTAN & DANIKA Their love had the power of a runaway freight train, and the potential to be just as destructive. The tempestuous sequel to Bad Things picks up where the first book left off. Reeling from a profound loss, Tristan and Danika struggle to pick up the pieces and build a life together, but the hard habits of a lifetime are not so easy to escape. Rock Bottom takes us on a dual point of view journey through addiction and desire, through love and agony, and answers the question we've been asking since these characters were introduced in Grounded: "What happened between Tristan and Danika?" **DANIKA** Even love couldn't cushion a fall like ours. My love for Tristan was so big that I felt consumed by it, and even so, it was not enough to overpower our combined demons. I struggled. I yelled and screamed. I scratched and kicked. I fought like hell, but even the most determined fighters have to stop before they break. No one could say I didn't fight for him. "I love you," I spoke softly into his ear. He gripped me harder. "I can't ever lose you, Danika. I'm not sure I'd survive it." "You've got me. And I'm not going anywhere. Not ever." I meant the words when I said them, but life had other plans for us. I'd have given my life for that fight. In fact, I very nearly did. **TRISTAN** She was the one. If I'd ever had a doubt, I didn't now. She was the one I'd be thinking about, longing for, until I took my last breath. If I lost her tomorrow, I'd pine for her like a lovesick fool. This was the kind of love that only hit you once in your life.

Danika hasn't had an easy life. Being insanely attracted to bad boys has never helped make it easier. One look at Tristan, and every brain cell she possessed went up in smoke. This man was trouble with a capital T. It was a given. She knew better. Bad boys were bad. Especially for her. Considering her history, it was crazy to think otherwise. So why did crazy have to feel so damn fine? For as long as she could remember, Danika had been focused on the future with single-minded purpose. Tristan came along and taught her everything there was to know about letting go, and living in the present. She fell, hard, and deep. Of course, that only made her impact with the ground that much more devastating. Bad Things is about Tristan and Danika, and their train wreck of a love story. This series can be read as a standalone, or with the Up in the Air trilogy. This book is intended for ages 18 and up.

"I didn't read this book, I devoured it. Arranged marriage is one of my favorite tropes and RK Lilley completely blew it out of the water. Arranged is angsty, sexy, and heartbreaking. Immediately adding it to my future re-read list. Banks is my new favorite alpha bully." Claire Contreras, New York Times Bestselling Author "Fatally beautiful. Gut-tightening intensity. Off the charts sexual chemistry and a love story unlike any other. You will devour this tale by RK Lilley and only want more." Audrey Carlan, #1 NYT Bestselling Author "Classic RK Lilley with all the angst, steam, and edginess she does so damn well. I loved it!" Kylie Scott, NYT & USA Today Bestselling Author "Some books are simply better than others. This is one of those books. Calder Banks Castelo is a jerk of epic proportions. Jerk-a-licious perfection. Banks and Noura together light the pages on fire. Sensual, angsty, exquisite. Don't miss it." Jana Aston, New York Times Bestselling Author There were rules in the cash-for-beauty game. The money held the power. The beauty followed the rules and jumped through the hoops. **THE BRIDE** I knew what everyone would think if they knew the truth about my marriage. They'd be shocked and appalled. And rightly so. I was a young, modern, independent woman, and I'd done the unthinkable. I'd sold my virginity to a spoiled, rich boy. To a stranger who didn't love me. And yes, I'd done it all for money. **THE GROOM** My bride was as gorgeous as she was unwelcome. As desirable as she was unwanted. I wanted nothing to do with her, but that didn't seem to matter exactly the second she got close enough to touch. I wanted her to hate me more than she loved the millions she'd sold herself for. I wanted to spurn her, but unfortunately, I wanted to f*ck her more. **ARRANGED** is a standalone erotic romance.

From internationally bestselling author R.K. Lilley comes a scorching new series with melt-the-pages tension and all-consuming angst. It's love, it's war and it's Scarlett and Dante's story. Scarlett It was the kind of relationship where I invested more than I had to spare. I gave it everything. And so when it failed, I lost myself. It changed me. He changed me. I went down with the ship. My soul, burnt embers in the aftermath. The fire of him ravaged it all. He burned me. Broke me. Scarlett had always dreamed big. She was headed straight for Hollywood. Destined for silver screen greatness. But in her wildest dreams she never imagined she'd be broke and single at twenty-eight, doling drinks at thirty-five thousand feet. She was a glorified waitress in the skies. It had been years since she'd seen him. But one day, there he sat, gazing intently at her, ready to set everything ablaze once more. Dante wanted her. Again. Sure, she'd play along...but this time, it was his turn. She was breaking him. After all, love is war. ----- Book one in the Love is War duet.

Eight years later, Lana finally returns home, planning to stay briefly, and only for business, but her plans go quickly awry when she runs into the man she could never get over. At just under 34,000 words, this story is a novella. This book is intended for ages 18]

LourdesHe was brazen as hell from the moment I laid eyes on him. He was aggressive, and dominant, with mac truck arms, and a bar brawler voice. He was too good looking for his own good, with a hard jaw, and harder eyes. I'd always led a fairly peaceful life, but even I could tell at a glance that this man was dangerous. For so many reasons. Not the least of which being that rough, dirty, sheet-clawing sex fairly radiated off him. I'd thought I'd known how to handle every kind of man, but this one left me baffled. To say he wasn't my type was putting it lightly. But you couldn't tell that to my libido. Not even when I found out the truth. My lover had lied to me from the very start. Nothing about our meeting was a coincidence.
