Rock and roll, also called rock 'n' roll or rock & roll, style of popular music that originated in the United States in the mid-1950s and that evolved by the mid-1960s into the more encompassing international style known as rock music, though the latter also continued to be known as rock and roll. Bill Haley and His Comets.

rock and roll | History, Songs, Artists, & Facts | Britannica

Rock and roll is a genre of popular music that evolved in the United States during the late 1940s and early 1950s. It originated from musical styles such as gospel, jump blues, jazz, boogie woogie, rhythm and blues, and country music. While rock and roll's formative elements can be heard in blues records from the 1920s, and in country records of the 1930s, the genre did not acquire its name until 1954. According to journalist Greg Kot, "rock and roll" refers to a style of popular music originati

Rock and roll is a form of rock music developed in the 1950s and 1960s. Rock music combines many kinds of music from the United States, such as country music, folk music, gospel music, work, blues and jazz. Rock and roll developed in the early 1950s from a kind of music called rhythm and blues performed by black singers and musicians.

Rock and roll Facts for Kids | KidzSearch.com

Rock and roll as a style has origins in both white folk music and black blues. Common points of shared music began to help blur the racial lines, encouraging empathy and acceptance. Rock and roll reviews started out with black and white audience members separated by rope, but audience mixing became more common, and original "race" records found mainstream popularity over watered-down white ...
