century proponents, is translated into English for the first time. Manual of Insight is the magnum opus of Mahasi Sayadaw, one of the originators of the “ vipassana movement ” that has swept through the Buddhist world over the last hundred years. The manual presents a comprehensive overview of the practice of insight

Online Library

S4f20 Sap

meditation, including the foundational aspects of ethical self-discipline, understanding the philosophical framework for the practice, and developing basic concentration and mindfulness. It culminates with an in-depth exploration of the various types of insight and spiritual fruits that the practice yields.
