Diagnosed with an incurable disease, she thought her life was over. When she is sacrificed to a dragon, she learns it has only just begun... The day Chrysanthemum Jones goes to exact revenge on the man responsible for her sister's death is the day she knows will be her last. Instead, she finds herself stolen away to another dimension and sacrificed to a real live dragon. Rather than a cave full of gold, this dragon's lair is a throwback to the 1980's complete with pixelated video games, unwound VHS tapes, and animal print spandex. And the mythical creature in question is totally more sex on a stick than Smaug. Schweet! As one of the last dragon shifters beyond the Veil, Corun is desperate to control the beast inside of him. The only thing guaranteed to keep the dragon under control is the surrender of a human female. But sacrificial offerings have been in short supply since his realm was cut off from Earth -something or other about women's liberation? So when a sacrifice turns up on his doorstep, Corun should be elated. But as totally tubular as Chryssie's curves are, her health is fragile and he fears she wouldn't survive the claiming

that would soothe his beast. Death has never bothered Chryssie. With an incurable, hereditary disease, she's been prepared to die her whole life. Now she has a chance to lose her V card and birth dragon babies before she goes? Talk about bad ass exits. Count her in! She just needs to get her sexy dragon shifter on board and in bed. As Corun becomes more attached to his sassy little human, his beast roars that Chryssie is his and pushes to claim her. If he doesn't claim her and soothe the beast inside of him, he will become stuck in dragon form for the rest of his life. However, if he does claim her, the birth of his offspring could be the last day of her life. If you love alpha male shifters, fated mates, and steamy romance with a touch of 80's nostalgia, then you don't want to miss The Last Dragons series!

My car broke down on an icy road in the middle of nowhere. I've got no money in the bank, no place to stay, and no food for my kids. Can it get any worse? Sure. A police car pulls up. The county sheriff calls his twin brother to tow my car for repairs that'll probably cost more than the beater is worth. They say don't worry about it. They only want to help. Sure they do. These gorgeous guys just happen to have two friends who own a luxurious motel called Little Cypress Lodge. I walk into this incredible hotel and it's like I've entered a new fantasy world. It's warm, there's plenty of food for my kids, and they say I can stay. For free. As long as I need a place. The four of them even want to hire me to do some modeling work for their new fashion line. Crazy, right? Me. The broke down, homeless single mom. If I can keep up the act long enough to make some deposits on a new place, I can

Dragons. A warrior princess. An immortal king and a prophecy set by gods. This paranormal fantasy romance sends you to a magical adventure of passion and love... War loomed over the great Kingdom of Elastin. The devourer of nations, vampire King Apollyeon threatened to attack to feed his ever-growing hungry legions with Elastinian flesh. The evil ruler summoned a cursed creature from the underworld to bring Elastin to an end. According to a prophecy, a woman who could claim the hearts of three ancient dragons could slay the demonic creature and save the kingdom. I, Princess Aurora, knew I had to become that woman, against my destiny. I would have to rewrite the prophecy set by the mighty gods. My only option was to defy the heavens. See me, the stars of Cassiopeia. Hear me, the valleys of the New East Mountain. No god can stop me. I will claim the hearts of the three dragons. Even if it means losing my own heart, innocence, and my whole being to them. Dragon Harem is a full-length reverse harem fantasy romance novel with three virile dragon shifters.

Dragon shifters have a horrific habit of kidnapping human children to sacrifice to their goddess. They miscalculated when they took expert thief Yara Parmstone's little brother, though. Now, Yara is out for revenge—after she finds the final key that will allow her to save him. But the three scorching hot, mysterious men who hold that key have a message for Yara—the dragon goddess has something

important in store for her. Too bad it's not as fun as a forked dragon tongue. Soon, Yara's racing against time to steal back her brother before his fate—and hers—are sealed.

When the dragons came, their shadows stretched over every continent, blocking out the sun. Then, in the blink of an eye, every man on earth vanished. Since that day, there are terrifying rumors of what happens to the women unlucky enough to stumble upon a dragon-shifter. But what if the women chosen by the dragons are actually the lucky ones? Faith is alone and terrified when her older sister willingly leaves with a golden dragon-shifter. But she's given little time to consider how she'll survive in the apocalypse, because in the next instant, she's snatched from her backyard by a blue dragon. Brought back to his mansion, she discovers that not one but five dragons intend to make her their mate. Can she escape before they claim her heart and her body? Or will she accept her role as queen of their harem? Faith in Dragons includes: Dragon Prisoner, Dragon Sacrifice, Dragon Awakening, and Dragon Queen. With each story just over 2,000 words, this set is short but hot.
