Employees have entrusted their retirement assets to your care. Are you making the right decisions? Whether you are a business owner or corporate manager responsible for establishing and maintaining a 401(k) program or an engaged participant interested in plan design, this manual provides practical recommendations on creating and maintaining a best-in-class plan. Three retirement plan professionals help you: Understand how 401(k) plans work and the features that drive successful employee retirement outcomes. Make prudent decisions concerning costs, vendor selection, investments, plan design and operations. Govern your plan to limit liability and protect fiduciaries, while enhancing investment opportunities and helping employees achieve financial security. Moreover, if your organization is a 501(c)(3) not-for-profit agency, foundation, or private school, this manual is applicable in almost all respects to ERISA 403(b) plans. While maintaining a best-in-class 401(k) plan may seem daunting, you can lower costs and provide personalized retirement planning and investment advice to employees all with minimal fiduciary risk. Find out how with The 401(k) Owners Manual.

Proven strategies and tactics to manage the integration of acquired and/or merged companies Mergers & Acquisitions Integration Handbook is a comprehensive resource to help companies create a scalable postmerger or acquisition integration process and framework that accelerates operating and business benefit goal realization. Helps integration managers quickly get up to speed on various integration challenges, including guidance on developing detailed operational and functional integration plans to support flawless execution. Reveals how to avoid integration failure by establishing an in-house integration management office to handle integration projects. Includes a sample integration playbook that can be used to create a core competency within companies to support ongoing integration activity. Botched integration is the number one reason mergers fail. Mergers & Acquisitions Integration Handbook shows you how to develop, execute and implement merger integrations and business strategies to realize your organization's mergers and acquisitions goals.

At Last! A Beginner's Guide to Feline Technology Scratch marks on your furniture. Dead mice on your doorstep. Stray hairs all over your clothes. It's enough to make you cry out, "Why doesn't my cat have an owner's manual?" And now—finally!—she does. Through step-by-step instructions and helpful schematic diagrams, The Cat Owner's Manual explores hundreds of frequently asked questions: Which breeds interface best with dogs? How can I maintain a quality exterior finish? And why does my model always drink from the bathtub? Whatever your concerns, you'll find the answers here—courtesy of celebrated veterinarian Dr. David Brunner and acclaimed author Sam Stall. Together, they provide plenty of useful advice for both new and experienced cat owners.

(String Letter Publishing). Here's the book that should have come with your violin!
