"Sexual Secrets" is the definitive and all-encompassing guide to sex and mysticism. No book of this magnitude has ever appeared on the subject. The distillation of more than two thousand years of practical techniques for enhancing sexual awareness and achieving the transcendental experience of unity, "Sexual Secrets" explores the path of love and mysticism, making accesible for the first time the sexual mysteries of the East.

Este texto es una completa gu í a sobre la sexualidad y sus dimensiones m á s profundas desde la perspectiva de oriente. Un libro que se adentra en la historia del amor y de las tradiciones esot é ricas asi á ticas y del misticismo del otro lado del mundo para tratar el tema del sexo como arte digno de estudio. Es una obra que complementa su potente contenido con m á s de 600 im á genes que dan cuenta del compendio m á s elaborado sobre el erotismo y su historia gr á fica. A partir de su lectura usted acceder á a experiencias nuevas que lo proyectar á n en la b ú squeda de nuevos senderos hacia su propia liberaci ó n en el amor f í sico, con un sentido espiritual que le har á renacer y renovar su compromiso de pareja.

Four astronauts journey to a cold planet only thirty degrees above absolute zero and inhabited by tiny aliens who have created a complex civilization.

Owl is gone, Werewolf Jones has moved in, and everything as Megg and Mogg know it begins to fall apart. Hanselmann ' s comic premise of his previous graphic novels eternally stoned, slacker roommates stretches at the seams as his characters reflect the psychological toll that their years of unsustainable, determined insouciance and self-medication has inflicted.

You have in your hands the most rigorous, complete and readable book ever written about the fascinating science of human sexuality. This book goes beyond the well-worn sexual education advice and the usual evolutionist psychology. After The Brain Snatcher, Pere Estupiny à comes back with the first popular science book on sex aimed at a wide audience. While there are some tips for the more adventurous, there is also a wealth of new information to be discovered. Distancing himself from the many books on advice or techniques, Estupiny à brings sex to another dimension by combining popular beliefs and science. Do you want proof that our decision-making in the " heat of the moment " is less rational than we think? Did you know that mind and vagina each go their own way? Are you interested in learning about the effects of yoga on sexual pleasure? Did you know about the attempts in the 60s to " cure " homosexuals with electric shock therapy, the chemical analysis of female ejaculation, or the fundamental relationship between the sympathetic and parasympathetic nervous system? The author has spoken directly with asexual and intersexual individuals, fetishists, multi-orgasmic women, women who never have orgasms through penetration, and men who have no refractory period. He has also participated in sadomasochistic events; learned tantric techniques with a couple of coaches, spoken with porn performers at Barcelona ' s Bagdad, and attended workshops in which a woman teaches how to have orgasms with your mind and breathing. The result is an incredible miscellany of information that appeals to both the scientific community and the curious.

Finally, Grieve focuses on the misogynistic elements of the story and asks why the fall of Spain is figured as a cautionary tale about a woman ' s sexuality.

The poet Langston Hughes was a tireless world traveler and a prolific translator, editor, and marketer. Translations of his own writings traveled even more widely than he did, earning him adulation throughout Europe, Asia, and especially the Americas. In The Worlds of Langston Hughes, Vera Kutzinski contends that, for writers who are part of the African diaspora, translation is more than just a literary practice: it is a fact of life and a way of thinking. Focusing on Hughes ' s autobiographies, translations of his poetry, his own translations, and the political lyrics that brought him to the attention of the infamous McCarthy Committee, she shows that translating and being translated—and often mistranslated—are as vital to Hughes ' s own poetics as they are to understanding the historical network of cultural relations known as literary modernism. As Kutzinski maps the trajectory of Hughes ' s writings across Europe and the Americas, we see the

remarkable extent to which the translations of his poetry were in conversation with the work of other modernist writers. Kutzinski spotlights cities whose role as meeting places for modernists from all over the world has yet to be fully explored: Madrid, Havana, Buenos Aires, Mexico City, and of course Harlem. The result is a fresh look at Hughes, not as a solitary author who wrote in a single language, but as an international figure at the heart of a global intellectual and artistic formation.

Widely praised, "A Neotropical Companion" is an extraordinarily readable introduction to the American tropics, the lands of Central and South America, their rainforests and other ecosystems, and the creatures that live there. 177 color illustrations.

An emissary from the Vatican investigates the foul play surrounding the pending demolition of a crumbling church in the heart of old Seville, in a sophisticated thriller by the author of *The Club* Dumas. Reissue. 25,000 first printing.

The bestselling coming-of-age classic, acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. *The House on Mango Street* is the remarkable story of Esperanza Cordero, a young Latina girl growing up in Chicago, inventing for herself who and what she will become. Told in a series of vignettes—sometimes heartbreaking, sometimes deeply joyous—Sandra Cisneros' masterpiece is a classic story of childhood and self-discovery. Few other books in our time have touched so many readers.
