hooks explores the
confounding and
sometimes controversial
topics that teachers and
students have urged her
to address since the
publication of the
previous best-selling
volumes in her Teaching
series, Teaching to

and broad, from whether meaningful teaching can take place in a large classroom setting to confronting issues of self-esteem. One professor, for example, asked how black female professors can maintain positive authority in a classroom without being seen through the lens of negative racist, sexist stereotypes. One teacher

asked how to handle tears in the classroom, while another wanted to know how to use humor as a tool for learning.

Addressing questions of race, gender, and class in this work, hooks discusses the complex balance that allows us to teach, value, and learn from works written by racist and sexist authors.

Highlighting the
