Pholia for Alto Recorder and Piano  
by Anthony St. Pierre, May 2006

The famous Folia of Corelli was the inspiration for Pholia\* for alto recorder and piano. The intent was to provide a modern alternative to the Corelli, which, although composed for the violin, has long been a staple of the recorder repertoire.

Music - New Music for Recorder -  
American Recorder Society

The sonata begins with a theme by the viola da gamba, which is soon joined by the harpsichord. This is driven forward with lively figuration. The middle movement, in B  $\square$  major, allows the parts to intertwine even more, ending with the allegro, which begins with repeated notes in the gamba part soon to be taken up by the lower harpsichord part.

Stephen traces the history and development of Classical music in Australia. From obscure and forgotten composers to those who attained an international reputation this volume reveals their output, unique experiences and travails. The formation and demise of music ensembles, institutions, venues and festivals is part of the story and included in the narrative are performers, conductors, entrepreneurs, educators, administrators, instrument makers, musicologists, music critics and philanthropists. A concise yet comprehensive picture of Australian music making can be found in any given year.
