seminal work of criticism and as one of the most accessible introductions to the visual arts. It was originally intended for younger readers.

~~The Story of Art - Wikipedia~~

The Story of Art focuses mostly on European art, and mostly on painting.

Read Book Story Art E H Gombrich

The author is quite up-front about this: he emphasizes European art because that's what he has seen most of, and because the book is already quite long enough. He includes mostly paintings because, he says, they lose least when rendered as photographs on the printed page.
