145 lawn mower. When I cleaned the air filter i noticed a buildup of debris in the throat of the carburetor. I undid the 3 mounting bolts and cleaned out the carb and reassembled. Now the throttle control won't work. I can start the mower but it won't idle.any advice. Is there any progression with this request

I have bought my Talon Silver Eagle Superfire 145 in 2007 and generally used it once a couple of weeks in summer and about once a month in winter time. Never had any problem so far! I even have done any services or changing oil for last 8 years. Surprised a bit the tough machine, so tough. Like. Share. More. Similar
