Renowned author Rachel Pollack has spent more than forty years studying and practicing Tarot. This insightful guide distills her vast knowledge and offers a direct, accessible approach to mastering the cards. This book will teach you the meanings of the cards and enable you to begin doing compelling readings right away. More seasoned readers will find that this basic reference has a richness and depth that will call you back again and again to discover your own truth within the cards. Find new descriptions and divinatory meanings with a modern twist Learn not only what each card signifies, but how to discover what it means to you Enhance your understanding of the cards with information about numbers, elements, astrology, and Kabbalah Try the unique spreads inspired by each Major Arcana card Understand Tarot's rich history, including Eden Gray's immense influence

In this updated edition of The Tarot Handbook, now with a new introduction by the author, Angeles Arrien takes tarot beyond the limits of the fortune-telling realm and shows us how this time-honored application is both a visual and symbolic map of consciousness, and a source of ancient wisdom. An exciting handbook for either a beginning or an ardent student of the tarot, it contains a multitude of charts, spreads, illustrations of the Thoth Deck, and other methodology tools for anyone looking for insights into personal and spiritual development. An anthropologist who specializes in cross-cultural myths, Arrien demonstrates how the seventy-eight figures of the tarot are portraits and archetypes that are prevalent in the collective human experience. The author teaches us to use this realization to look beyond our cultural viewpoint or bias when we approach the tarot, and to rely instead on these more important universal principles, thereby deepening the quality and accuracy of our interpretations and expanding our awareness of the human psyche. A significant and classic piece of tarot literature, The Tarot Handbook is both a required manual for teachers and students of the subject, and an accessible and fascinating exploration of cultural anthropology.

Basic lessons, exercises, procedures, and fundamental esoteric philosophy make this possibly the best spiritual Tarot book ever published. Relates Tarot to other occult sciences such as astrology, the Cabala, and numerology. (Divination)

Offering a comprehensive understanding of the Tarot, its history, and its significance, this book also provides a complete home study program for the reader interested in expanding his or her powers of interpretation.

More than a guidebook, The Book of Tarot offers a space in which to set goals and intentions with clarity and purpose. It also serves as an accessible introduction to the Tarot 's many uses, from mystical touchstone to practical resource. In this beautifully designed, easy-to-navigate book, Danielle Noel instructs readers in using the Tarot as a tool for self-understanding, meditation, and soulful introspection.

The popular perception of the tarot is as a tool for fortune-telling, but this book introduces it as a vehicle for initiation, the true function of all mystery traditions. It involves readers in a process of personal transformation in which the tarot trumpets are related to the tree of life to provide a classic initiatory structure. The keys to initiation are themselves presented through a series of integrated intellectual intuitive tasks, culminating in an extended meditation on the tarot trumpets.

The book also includes some private anecdotes which illustrate how the trumps come to life within the psyche.

Deep descriptions and explanations of the details and symbols embedded in the 22 Major Arcana cards of the Crowley Thoth Tarot deck.

Created especially for beginners, the Easy Tarot kit is the easiest way to learn to read Tarot cards. In the Easy Tarot Handbook, author Josephine Ellershaw shares tips, shortcuts, and time-saving techniques gained from more than thirty years of experience reading Tarot cards. Using the beautiful Gilded Tarot deck, you'll learn how the seventy-eight cards link to one another and provide insight as their unique energies merge in the Cross of Truth, the Celtic Cross, and other spreads. There is even a list of card combinations that commonly indicate specific events-such as pregnancy, a wedding, a new job, and more. Also included in the Easy Tarot Handbook: • A quick guide to card meanings • Sample readings, safeguards, and ethical guidelines • Tips on keeping a Tarot diary • Troubleshooting advice that addresses questions such as, "What if the cards don't seem to connect?"
