This book answers critical questions about the Ten Commandments with compelling clarity and Bible evidence.

In his startling book, Gary Greenberg exposes the reality behind the greatest story ever told. Learn about the Egyptian myths and ancient folklore that survive in one of history's most sacred texts, and discover how: -King David's bodyguard, not David, killed Goliath -Noah's Ark did not land on Mount Ararat -Samson did not pull down a Philistine temple -There are at least two versions of the Ten Commandments -The walls of Jericho were destroyed 300 years before Joshua arrived there -Sodom and Gomorrah were mythical cities that never existed -The story of Esther had nothing to do with the Jews of Persia -And much, much more 101 Myths of the Bible provides a new dimension of biblical studies for believers, historians and anyone who has ever wondered about the facts behind the legends. By looking deeper into history, Greenberg shows that the true story makes the Bible more interesting than ever imagined!

A book for anyone who cares deeply about the future of the church. Once upon a time there was a version of our faith that was practically . . . irresistible. But that was then. Today we preach, teach, write, and communicate as if nothing has changed. As if “ The Bible says it, ” still settles it. It ’ s time to hit pause on much of what we ’ re doing and consider the faith modeled by our first-century brothers and sisters who had no official Bible, no status, and humanly speaking, little chance of survival. What did they know that we don ’ t? What made their faith so compelling, so defensible, so irresistible? Buckle up . . . you ’ re about to find out. More importantly, Andy will invite you to embrace the version of faith that, against all odds, initiated a chain of events resulting in the most significant and extensive cultural transformation the world has ever seen. A version we must embrace if we are to be salt and light in an increasingly savorless and dark world.

“ More than any other book I ’ ve read in years, Irresistible has stretched my view of Scripture. I can ’ t hear or read a passage from the Old or New Testaments without thinking about Andy ’ s provocative insights. If you and I take this book seriously, our lives and our churches will never be the same. ” —Kara Powell,

PhD, executive director of the Fuller Youth Institute and coauthor of *Growing Young* “ Irresistible is like a once-in-a-generation shot across the bow. Andy Stanley takes a lifetime of accumulated insight and wisdom about the Christian faith, history, and why the church isn ’ t connecting with our current culture, and combines them together in a masterpiece work. ” —Carey Nieuwhof, author and founding pastor, Connexus Church “ Warning: This book will set you and your ministry back—back to the first century and the approach to advancing the gospel modeled by Jesus and the apostles. Andy reminds us that the resurrection was at the center of the first-century apologetic. Then he challenges twenty-first century believers to reclaim it as the center of ours as well. I agree with Andy—this approach changed the world once. I ’ m convinced it could do so again. Read and apply now! ” —Frank Turek, Christian author, public speaker, and radio host “ This book challenged me to rethink my thoughts about the Old Testament, discuss with fellow believers what I was learning, do more connecting and less correcting of others, and be salt and light, making things better and brighter. I love how Andy loves people . . . ALL of them. ” —John Maxwell, author of *The 360 Degree Leader* “ It ’ s time for the church to rethink how it presents a timeless gospel to this generation. In *Irresistible*, Andy Stanley challenges us to make sure we handle the Scriptures with the kind of integrity that compels everyone to seriously consider following Jesus. Any Christian who reads this book will suddenly find themselves embracing the mission of Jesus with a new passion. ” —Reggie Joiner, author; founder and CEO of Orange “ Andy Stanley takes you on a historic journey to rediscover the first-generation passion of what it means to faithfully follow Christ. This book will knock you off center, push you out of complacency, and reawaken an unshakable faith that cannot be ignored. ” —Craig Groeschel, pastor of Life.Church and author of *Hope in the Dark—Believing God Is Good When Life Is Not*

The *Clear Word* lets the power of ancient texts come through today. As the meaning of Scripture becomes more transparent, you see more of God's grace. His love shines through even in difficult Old Testament passages. The *Clear Word* has renewed the devotional lives of thousands of people. Let it renew yours. Now available in the popular two-column format with the text in paragraphs.

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

There is a war going on for the future of our country. Most people know that. What they may not know is that if Christians lose, the result won ’ t merely be enduring public policy we disagree with—it will be a prison sentence for those who oppose it. We ’ ve all seen the attack coming. First the Supreme Court said kids can ’ t pray in school. Then the Ten Commandments were ripped from the classrooms. Now pastors are being removed from their pulpits and put in jail for speaking out against homosexuality (Sweden). And things are only getting worse. How in the world did we get to this place? And why is it that Christians are singled out in this assault on morality? Serving as a wake-up call for America, this book will expose the truth that Christianity is being criminalized—and that we must stand up against it now . People in New York are fired from their jobs. Kids in California are suspended from school. Pastors in Sweden are sentenced to prison. Their crime involves nothing more than exercising their religious freedoms. At first the attacks against Christianity were subtle. The Supreme Court ruled that children can ’ t pray in school. The Ten Commandments were removed from our classrooms and, later, our courtrooms. Now pastors are being imprisoned

for speaking out against homosexuality from their own pulpits. How in the world did we get to this place in a “ free ” and civilized society? And how far will it go? While headlines reveal a gradual undermining of moral values in our society, the truth between those lines silently screams that our very freedom is at stake. Now this provocative book exposes the attack on values for what it is: a pointed war being waged against Christians and the faith they profess. A frequent guest on such programs as 20/20, Hannity and Colmes, Hardball, and Inside Politics, conservative advocate Janet Folger uncovers the hidden anti-Christian agendas that are driving public policy, key court decisions, public school regulations, political correctness in the media, and modern-day censorship. The question is, how will you respond? At a time when upholding traditional values has somehow become synonymous with “ intolerance, ” will you rise up and defend your religious freedoms —before it ’ s too late?

This book will dispel many of the current myths surrounding Hellfire, and shares a biblical perspective on this controversial topic.
