 Publisher's Summary In this second edition of How to Sell Annuities, you will find additional insight, tips, useful questions, and statistics to help you drive your practice. Creating this second edition, it was clear there was more I could contribute, and the resulting new edition should be a significant improvement over the first draft.

How to Sell Annuities. Second Edition by Michael Bonilla ...
 Written in plain English, the latest updated, revised, and expanded edition of The Advisor's Guide to Annuities covers both the technical details of how various types of annuities operate, as well as the broader questions about how and when they should be used in clients' financial plans. No other resource provides such a deep and independent-minded look at the structure, costs, benefits, and risks that come with all types of annuities.
