Armstrong's The Awakening is a FANTASTIC sequel in the Darkest Powers trilogy; the novels draws upon some unanswered questions in book one yet allows for the reader to discover more in the final novel, The Reckoning.

The Awakening (Darkest Powers, #2) by Kelley Armstrong

The Awakening, the second book in the Darkest Powers series, picks up almost immediately after The Summoning ends: Chloe wakes up, basically imprisoned, at the mercy of the Edison Group. This group is responsible for the genetic engineering of several supernatural babies' DNA; now that the group has reached their teens, their powers are increasing and sometimes out of control.

The Darkest Powers series is suppose to be a trilogy but it leaves a number of unanswered questions, however I believe there is going to be another novel released in the series, which is great. The third book in the trilogy The Reckoning doesn't finish on a cliffhanger and has a really lovely ending however you are definately left wondering about the loose ends.
