The Control Book is about the fine art of taking control of your partner. It's about the processes involved, about taking control, using control, about ensuring that you have control, and---importantly---about giving control back once you are done with it. The book discusses how this works---the psychology of it---and looks at what can go right, and at what can go wrong and how to fix it.

The following is an extract from The Control Book by Peter Masters, pp. 59 - 64: In the last section I talked about the transfer of control process and listed its four basic steps. The actions which the person taking control, the dominant, do are very quick, taking typically no more than a second or two.
