n The Divine Invasion, Philip K. Dick asks: What if God--or a being called Yah--were alive and in exile on a distant planet? How could a second coming succeed against the high technology and finely tuned rationalized evil of the modern police state? The Divine Invasion "blends Judaism, Kabbalah, Zoroastrianism, and Christianity into a fascinating fable of human existence" (West Coast Review of Books). From the Trade Paperback edition.

The Divine Attributes explores the traditional theistic concept of God as the most perfect being possible, discussing the main divine attributes which flow from this understanding - personhood, transcendence, immanence, omnipresence, omniscience, omnipotence, perfect goodness, unity, simplicity and necessity. It argues that the atemporalist's conception of God is to be preferred over the temporalist's on the grounds of perfect being theology, but that, if it were to be the case that the temporal God existed, rather than the atemporal God,

He'd still be 'perfect enough' to count as the God of Theism.

A triumphant return to the world of City of Stairs. A generation ago, the city of Voortyashtan was the stronghold of the god of war and death, the birthplace of fearsome supernatural sentinels who killed and subjugated millions. Now, the city's god is dead. The city itself lies in ruins. And to its new military occupiers, the once-powerful capital is a wasteland of sectarian violence and bloody uprisings. So it makes perfect sense that General Turyin Mulaghesh— foul-mouthed hero of the battle of Bulikov, rumored war criminal, ally of an embattled Prime Minister—has been exiled there to count down the days until she can draw her pension and be forgotten. At least, it makes the perfect cover story. The truth is that the general has been pressed into service one last time, dispatched to investigate a discovery with the potential to change the world—or destroy it. The trouble is that this old soldier isn't sure she's still got what it takes to be the hero.

'Anybody But Anne' is the fifth in the 'Fleming Stone' series of detective novels by prolific author Carolyn Wells. Wealthy David Van Wyck has decided to become a philanthropist and leave his entire vast fortune to the local community. Whilst a noble intention, his family are opposed to the notion as it would leave them penniless. Following a meeting to certify his intentions, David is found dead in a locked room. His beautiful wife Anne is the obvious suspect, but there are many others who would have reason to want David out of the picture. A thrilling whodunnit from the popular author.
