Park homes: know your rights - GOV.UK

Park homes are detached bungalow-style homes that are located within a private estate. They're typically manufactured offsite and then placed on land that is owned privately or by a local authority. To fall into the definition of a park home, a property must be movable in one or two pieces, whether that's on its own wheels or by being transported by another vehicle.

homes can be located.

Buying a park home - things to consider - Park Homes

With a park home or mobile home, you may be the full rightful owner of the property, but you don't own the land upon which it resides. As a result, standard residential mortgages are out of the equation. The same also applies to second mortgages, which fall under exactly the same rules as standard mortgages.

Park Homes: How to Finance Yours

A new park home will usually cost between £70,000 and £400,000, while pre-owned homes are available from around £50,000, according to Quickmove Properties. How much are park home site fees? The park home site you choose to live on will come with its own specific fees, so it's important that you ask about these whenever you're shopping around.

Buying a park home: What do you need to consider? | GoldShield

The Process of Buying a Residential Park Home. The procedures set out below must be followed whenever a second-hand residential park home is purchased on a park in England; the exact procedure to be followed will depend on whether the agreement being assigned is an "Existing Agreement" or a "New Agreement".
