The Corporations Act 2001 is an Act of the Commonwealth of Australia which sets out the laws dealing with business entities in Australia at federal and interstate level. It deals primarily with companies but also with other entities, such as partnerships and managed investment schemes. The Act is the primary basis of Australian corporations law. The Corporate Law Economic Reform Program Act 2004 simplified the statute, which, at 3,354 pages, dwarfs those of other nations such as Sweden, whose co

Corporations Act 2001 - Wikipedia

A corporation created by or under the laws of another State, government, or country. Domestic or home corporation. A corporation created under the law of the place where it exists or exercises its powers. A corporation exists only by force of law, and can have no legal existence beyond the bounds of the sovereignty by which it is created.
