Amazon.co.uk:Customer reviews: The Little Book of Kama Sutra

The Little Book of the Kama Sutra is a hilarious parody of the art of love. Have you had enough of being told you not doing it right, often enough, or with enough imagination? Are you beginning to feel like someone knows something you don't, that the rest of your office, the rest of your town, in fact the rest of the world, is having better sex than you?

The Kama Sutra is less a book and more a collection of manuscripts from a variety of authors, all compiled by an Indian monk named V?tsy?yana around the 2nd century C.E. The most famous portion involves advice on having sex, but it also contains philosophical meditations, moral guidance, and discussions on the nature of love – but people are mostly interested in the sex .
